

Webinar hosted by LOC and Maritime London

Safe Carriage of COVID-19 Vaccines

3rd December 2020, 13:00 – 14:00 GMT

Panellists:

Maritime London	-	Jos Standerwick, <i>Chief Executive</i>
LOC	-	Amarinder Singh Brar, <i>Shipping Consultant</i>
UK P&I Club	-	Thomas Starr, <i>Snr. Claims Director</i>
Stephenson Harwood	-	Rod Johnson, <i>Marine Director</i>

Agenda

1. Focus of Event (Maritime London)

- Introduction to the topic from Maritime London

2. Transportation of the Vaccine (LOC)

- Discussion on the physical aspects regarding the carriage of the COVID-19 vaccine, such as carriage temperature and the wider IMDG Code requirements. We will also deliberate upon the practical implications of complying with these requirements.

3. Background of Cargo Claims (UK P&I Club)

- The typical obligations of the parties under contracts of carriage, liability issues and claims from a P&I Club perspective

4. Casualty Investigation (Stephenson Harwood)

- Practical examples of potential complications when shipping pharmaceuticals

5. Open Q&A
