

Harry Theochari

Global Head of Transport, Norton Rose Fulbright

Vice-Chairman, Maritime London

Chairman, Maritime UK

Harry Theochari is a shipping and asset finance lawyer based in London, where he is Global Head of Transport. He is experienced in international shipping finance and has wide experience of syndicated facilities, OECD and Export Credit based financings, structured financings, private equity and capital market transactions.

Harry is highly regarded in international shipping finance and has been involved in some of the most innovative ship finance structures of recent years, for both new building and second-hand vessels, oil rigs, platforms and other floating structures all over the world.

Harry has been named by Lloyd's List as the most influential shipping lawyer in the world and by Tanker Shipping and Trade as one of the most influential people in the tanker industry. He is cited by Chambers Global 2015 as a leading individual for asset finance and for shipping finance and is noted for his "phenomenal relationships with various clients in the shipping industry including shipyards and banks" (Chambers UK 2015).
